

vrooom...

HEY,
LET ME
HOLD
ON TO
THAT
TANUKI.

REALLY...
THAT OVERLY
CAUTIOUS
PERSONALITY
OF YOURS
IS WHAT'S
KEEPING
YOU FROM
MARRIAGE....

YOU'RE
WORRYING
TOO MUCH.
THE TANUKI
IS IN
A JAR.

ARE YOU SURE?
DON'T STARE
AT IT TOO MUCH.
THERE HAVE BEEN
CASES WHERE TANUKI
TRANSFORMED
INTO A
SEVERED HEAD
TO SURPRISE YOU
AND TAKE
YOUR GUN.

THIS GUY
WAS BUZZING
AROUND
JUST
A BIT AGO...

LET'S
SEE~

WHAT KIND
OF IDIOT
TANUKI NINJA
WOULD LET HIMSELF
GET CAUGHT
BY A CIVILIAN?

HM~?

Yo G-P here.

It has been a while hasn't it. I hope ya all had a nice Christmas and New Year's Eve. We're off to another year of Kitsune Spirit, but from now on without redrawing those damn sfx. Faster releases for you (January has been very busy for me, shut up), less workload for me and a treat for the art enthusiasts. I read your comments on every chapter and some of you lads actually prefer the Japanese sfx for reasons. So there you go.

I'm done with Doppio Passo. Too sweet. The Riserva one is alright, but too expensive for daily drinking. Montepulciano and Shiraz are currently my bread and butter.

See you next chapter.

GOOD JOB CHIEF

I'm glad our universe's Gaben went into game development instead of being a cop.
